

**...and Kyroot slid:**

Calling something "something" can, (surprising enough to some people),  
cause it to be something.

If the Revolution becomes "well known" by the company it keeps it has  
become too well known...  
...dangerously  
so.

Irony is in the eye of the beholder...No,

Irony is in the eyes of all beholders...(at least in these-here-parts).
