(You probably gotta listen pretty quick to this one):

A most useful expression in the human language is the phrase, "You  
could say", since you can say,  
"You could say" even when you  
can't —  
really.

The sound of a guy who inadvertently almost knew what he was talking about;  
Quote; "Listen, I don't care about nothin',  
Cept what I care about."
