

...and Kyroot said:

In one way or the other -
all "left overs" are BENT over.

...and Kyroot said:

One guy's kinda fall-back position was that
if you have to talk about your relationship
with your relationshippee - at least you GOT one!

...and Kyroot said:

Yesterday in one City it was officially announced,
"No one is getting any worse," followed shortly by,
"No one is getting any better,
but no one is getting any worse,"
the Official Voice asked if there were any questions;
there were none.

...and Kyroot said:

As he grew in intellectual maturity and sophistication
he reached the place where he could not see a basketball
without thinking of sports.

...and Kyroot said:

There was this one guy
who was so thrifty that he saved
even wrong information;
okay, I'll give you a hint - his name starts with
every letter in the alphabet.

...and Kyroot said:

More of the, "Legends And Myths That Some Subversive Kids Find
Damn Near Unacceptable - I Mean, Unbelievable":
Today's tale, boys and girls, has to do with
a far away kingdom whose ruler himSELF was
satisfied to take orders from a foreign power.

...and Kyroot said:

Everyone's identical to their twin brother -
except for those who don't have one;

....(they can apply on Tuesdays.)

...and Kyroot said:

For rebellious purposes

the one thing worse than being helpless is FEELING helpless;

.....(and, "Surprise, surprise" - one of the two
can be dealt with:

.....[Yep, that's right -
the one that seems
to require your
participation].)

...and Kyroot said:

One ole guy slapped his kid with a Search Warrant that read,
"Diminishing returns will not hide from a man."

.....(As it turned out,
the lad was not guilty,
but neither was the sentiment.)

...and Kyroot said:

The glowing success of siamese twins tends to lend even
GREATER credence to the theory.

...and Kyroot said:

There is a place
where all of man's "Serious, Important Statements" are kept;
other than relatives,
few people seek access.

...and Kyroot said:

Door to door throughout the neighborhood the young man trod,
saying he was trying to collect up enough consternation
to go into the ministry.

...and Kyroot said:

During a brief lull in the park proceedings
one would-be philosopher climbed up on a bench and remarked,
"Do you really believe it's mere coincidence
that the letter 'Q' and planet Earth
are almost the same shape?"

...and Kyroot said:

Only an unnaturally ordered mind
can properly discern the apparent DISorder"out there."

...and Kyroot said:

His demand was plain enough, "I wanna know", said he,
"What's the fun in being sick if you know you'll get well again?";
(no one in that department, on duty that day could answer him,
although the Pathology-Recycling Lab was just down the hall.)

...and Kyroot said:

After a typically hard day at the day
one chap sat down and mused to himself,
"Doesn't the fact that the gods don't say anything
tell us something regarding the power of silence?"

...and Kyroot said:

Most of the ambitious crouch in the bushes.

...and Kyroot said:

Many things,
it should be admitted,
in the singular world of civilized man are irrelevant;
this includes the exceptions of those which aren't.

...and Kyroot said:

In a stroke of what he at first considered to be, "perverse genius," this one man began to explain his sometimes erratic behavior by saying that he was actually "two different people"; (to his great surprise no one questioned this, and in fact, many nodded knowingly.)

...and Kyroot said:

Vocational encouragement for the day: Remember - if you're king
you've got
EVERY body's number.

...and Kyroot said:

One fellow ran a "Rhino Reserve Ranch" in his own head;..

.....(Keep Windows Closed
And Do Not Feed The Thoughts).

...and Kyroot said:

Inspirational Thought For The Day: Anyone who writes their own epitaph
deserves to die.

...and Kyroot said:

On another little world around the way there,
they have a myth that says all myths actually happened.

.....(Don't feel left out - even THEY
don't like it.)

...and Kyroot said:

Part of the problem with local intelligence is that it properly believes that chapter two proceeds chapter five whereas something resembling the opposite is more to the point.

...and Kyroot said:

Remember kids,
every word has two meanings,
and this isn't one of them.

...and Kyroot said:

A flurry of activity can certainly hide the lack of same.

...and Kyroot said:

There was a man in your town who,
whenever returning home, just before he got there,
would "shout out,"
just to give himself fair warning.

...and Kyroot said:

For some reason he was suddenly overcome with the desire to try and show the kid that life could be less exacting than he was being taught by the usual sources; so he told him,

"You can take the most complex of human endeavors, and approach them from directions so simple, so direct that no one ever bothers to notice, or use them, for instance, the matter of 'fame', just consider this: If you tell enough people you're famous, and enough of them believe you - *Voilà*, you're famous!"

.....(Later, in private, this kid told me that sometimes his ole man's ideas scare the shit out of him.)

...and Kyroot said:

Over in another City

the latest fad going all around is

"low impact thinking".....(they've actually been doing it
a long time;

just never had a name for it before

...and Kyroot said:

Just as they were about ready to land,
this one pilot - just as a joke -
would oftentimes announce, "We're about ready to land."

...and Kyroot said:

Third Theorem: The more complicated it is the harder it is to make it work;
Theorem That Comes After That One: If things were still simple
they wouldn't still BE working.

.....(the next theorem in this progression
is the one YOU'RE living in.)

...and Kyroot said:

After certain things had come to pass
this one god told his wife,

"I'm going to sleep, wake me when it's over."

...and Kyroot said:

Supposedly
one guy once said
that the best thing about This is
that the more you understand it
the less you have to tell anybody.

...and Kyroot said:

After a while in that land

he decided to try a different approach: He would go ahead and
pay the piper and then
not dance.

.....(Anti Moral Of The Tale;
Many things can't BE
exported, and proper
timing may be one of them)

...and Kyroot said:

An elevator operator told me that
she has a patient whose thumb is so close to his index finger
that he can only make a fist
while his hand is in someone else's pocket.

.....(Up please,
going up.)

...and Kyroot said:

Laying blame at institutional feet

lets EVERY one off the hook...

...(except that from a revolutionist view
no one was on the hook to begin with.)

...and Kyroot said:

One other man says for us not to worry about him
that he's pretty sure now that
he'll die happy
just as soon as he learns to live happy.

.....(No, don't look at me,
YOU ask him.)

...and Kyroot said:

There are places where
unicorns and dinosaurs still roam ----- Hey, what chu lookin'
at THERE for?

...and Kyroot said:

You can't be a city thinker AND get to the point;
they're mutually exclusive.

...and Kyroot said:

In the flash of the moment,
the ole man told the kid,

"You could look on it like this: First, everything was 'real',
then that wasn't enough,
so everybody began pretending,
and soon pretending became so real
they forgot what it was
and IT became real,
but then THAT wasn't enough, and
I think you can take it from there.)

...and Kyroot said:

If you've got a way out you'll take it.....hell,
if you've got a
way out
you've alREADY
taken it.
