One of our irascible,
Though otherwise grumpy,
City correspondents reports that
Over in his part of town,
Borrowing trouble is STILL acceptable,
If that's the only means you have of getting any.

A viewer writes to say that what she hears on these programs
not only gives her high pleasure,
but also makes her think she doesn't know what I'm talking about;
she goes on to say that that's all right
so long as she knows it's intentional..

In this one reality

one of the gods told his son,

"In dealing with these creatures we have

you've got two choices: Either treat them with understanding

and tolerance, or else with

haste and sarcasm."; the kid pondered

this for a while then asked,

"How about just acting more divinely?",

and the elder said,

"That is your option."

To hear about this
Intellectual revolution thing;
He says that although
HE doesn't want to participate
He's nonetheless glad to know it's going on.

...and Kyroot said:

Although everyone seems to be so,

There's actually no REASON to

Be concerned

In a finite reality

Inasmuch as they won't let you

Do anything about it anyway.
